A Home on the Field. Work defined who they were. If you had a job, you were somebody, you were not lazy. For these Latino families, work was so important it took a backseat to almost everything in the family. It didn't matter what kind of work you were doing as long as you were working and making money.

Community Reviews. A home on the Field is a really good nonfiction book. I believe the purpose of this book is to inform people and let people become aware of how Hispanic immigration is shaping this state and the country, and the the type of difficulties they have to go through because of discrimination.
