2012 KIA SOUL Recall

SOURCE: Ford Focus 2002: won't go into gear.. any gear If it's a standard, you may need a new clutch. If it's an automatic, you may need new clutch plates. They wear out over time. I had an old Saturn with an automatic tranny, and when I would shift into reverse it wouldn't go into gear unless I revved it a bit, then it would clunk and drop into gear..

SOLVED: My 2007 ford f150 will not go into reverse what ...

Abstract: Auto Fundamentals leads students through the design, construction, and operation of all major automotive systems. It touches on different professions within the automotive industry and is intended for those who need a sound foundation in the basics of automotive technology.
