About Harvard Magazine. Harvard Magazine was founded independently by alumni more than a century ago, and is published today by a separately incorporated nonprofit affiliate of Harvard University. We have excellent access to University news and news sources, but are written, edited, and produced—like any independent news medium—with readers' interests foremost in mind.

Harvard is a style of referencing, primarily used by university students, to cite information sources. Two types of citations are included: In-text citations are used when directly quoting or paraphrasing a source. They are located in the body of the work and contain a fragment of the full citation.

3. Dimension 1 SCIENTIFIC AND ENGINEERING PRACTICES. From its inception, one of the principal goals of science education has been to cultivate students' scientific habits of mind, develop their capability to engage in scientific inquiry, and teach them how to reason in a scientific context [1, 2]. There has always been a tension, however, between the emphasis that should be placed on ...
