My AP Calendar. I am no longer be teaching AP Chemistry. I handing the course off to a colleague in Fall 2017, but I am leaving the calendar from my last year of teaching the subject here as a resource for teachers interested in pacing for the course.

AP Chemistry Calendar - ScienceGeek.net

To increase students' awareness of possible invisible pollutants in drinking water sources, students perform an exciting lab requiring them to think about how solutions and mixtures exist even in unsuspecting places such as ink. They use alcohol and chromatography paper to separate the components of black and colored marker ink. Students witness first-hand how components of a solution can be ...
