Enrollment. Individuals employed in a credit-related position or aspiring to a career in credit are encouraged to enroll in the program. Recognizing that many organizations seek to hire CCP graduates or students for credit positions, the Credit Institute allows enrollment in its certification program even before obtaining related employment.

Lately we have received a few emails from readers asking about monthly income funds from the Canadian big banks. A monthly income fund is a type of actively managed mutual fund that emphasizes current income, either on a monthly or quarterly basis, as opposed to capital appreciation.. These funds hold a variety of government, municipal and corporate bonds, preferred stock, and dividend stocks.

A board of directors is a group of people who jointly supervise the activities of an organization, which can be either a for-profit business, nonprofit organization, or a government agency. Such a board's powers, duties, and responsibilities are determined by government regulations (including the jurisdiction's corporations law) and the organization's own constitution and bylaws.
