The Start menu is a graphical user interface element used in Microsoft Windows since Windows 95 and in some other operating systems. It provides a central launching point for computer programs and performing other tasks. It has different names in different operating systems and window managers, such as Kickoff Application Launcher in KDE, Dash in GNOME and Unity, and Start screen in Windows 8.

Start menu - Wikipedia

The European Computer Driving Licence (ECDL) is an internationally recognised IT qualification designed to give students the skills to use a computer confidently and effectively. This official ECDL online course can help to improve your understanding and efficient use of computers. The course opens up a variety of opportunities through the broad range of skills it provides.

ECDL Online Course | European Computer Driving Licence Course

This module sets out essential concepts and skills relating to the use of devices, file creation and management, networks, and data security.
