Epic Unearthed Thomas D Turner

Epic Unearthed was the first book I have read by Thomas Turner, but it was a very enjoyable read. It had me hooked from the beginning. The author put a fantasy and historical feel of the book making it an excellent read. It had excellent detail throughout, it had a good flow to it, and it was an easy read.

While glaciers began to melt all over the planet 12000 years ago, water levels started to rise 300 feet, swallowing any evidence of cultures living near the ancient coastlines. However, archeologists have found new civilizations older than the Egyptians and Sumerians. As history has to be rewritten, we have to ponder who were the heroes and antagonists of a forgotten time of the Atlanteans
