Preface. A thought conceived but not expressed is at best only an unborn child, not only without any influence on the world, but of whose very existence the world may be unconscious; but once brought forth it becomes part of the living working universe, to work there its appointed season, and possibly to leave its mark for good or evil on all successive time.

vol 6 pg 1. A Philosophy of Education Book 1. Introduction. These are anxious days for all who are engaged in education. We rejoiced in the fortitude, valour and devotion shown by our men in the War and recognize that these things are due to the Schools as well as to the fact that England still breeds "very valiant creatures."

Since Canadian Airlines folded way back in 2001, the bulk of my domestic travel has been with Air Canada.. This is convenience more than love — I'd like to try Westjet or Porter Airlines and see whether their customer experience is as good as others claim, but each time I go to book a flight, Air Canada inevitably has a better fare price, departure time and/or route.

It wasn't so long ago that Florida was trying catch New York. Now — at least in the population game — it has left New York in the dust. The U.S. Census Bureau on Wednesday released new estimates showing Florida had about 21.3 million residents as of July 1, cementing Florida's place as the third most-populous state behind California and Texas.
