When I say warrior I want to make it clear what I'm talking about. I'm not talking about societies bullshit definition of a warrior. You know the businessman "fighting it out" in the conference room, the hard working single mom who has "the heart of a warrior", or the sportsball player who "goes to war".

Love the look of the Helicopter and the Carousel - both have working mechanisms so that's something to get excited about. I WAS hoping for another nod to a retro theme in the Carousel, like the Pirate Rollercoaster did a little while back, but hey, it wouldn't take much modding to make the seats into little M-Tron, Blacktron and Space Police doodads.
