Institutions do not consider the following qualifications as comparable to an Australian Year 12 qualification. However, some of these qualifications may be used as a basis of entry to pathway courses or as proof of completion of high school studies when applying in conjunction with the United States of America Scholastic Aptitude Test (SAT) 1 and American College Test.

Overseas qualifications - UAC

Twelfth grade, senior year, or grade 12 is the final year of secondary school in most of North America. In other regions it is also equivalently referred to as class 12 or Year 13. In most countries students then graduate at age 18. Some countries have a thirteenth grade, while other countries do not have a 12th grade/year at all. Twelfth grade is typically the last year of high school ...

Twelfth grade - Wikipedia

We constantly update our teaching materials to ensure that the very latest technologies, standards and contractual mechanisms are included. On our Commercial Management and Quantity Surveying degree you will gain a full understanding of how a buildings and structures work, who does what in their design, construction and operation, and how you can enable those processes by managing various ...

Commercial Management and Quantity Surveying BSc (Hons ...

The aim of this module is to consolidate and build on the ideas and skills introduced in the first year of engineering mechanics module. Students will be able to carry out strength and deflection analyses for a variety of simple load cases and structures, will understand the simplifications used in such analyses and appreciate the role of stress analysis and failure prediction in the design ...
