A Million Little Pieces is a book by James Frey, originally sold as a memoir and later marketed as a semi-fictional novel following accusations of literary forgery. It tells the story of a 23-year-old alcoholic and drug abuser and how he copes with rehabilitation in a twelve steps-oriented treatment center. While initially promoted as a memoir, it was later discovered that many of the events ...

Sandra December 28th, 2018 . I'd like to know how some of you are coping with not having been loved or wanted by their parents and especially mothers. I have moved 10,000km's away from a toxic mother who basically only didn't abort me because I was a cash cow (biological dad had money and they only had a brief extramarital affair so I hardly knew him).
