### **Religion For Atheists A Non**

Religion for Atheists. What if religions are neither all true or all nonsense? The boring debate between fundamentalist believers and non-believers is finally moved on by Alain's book Religion for Atheists, which argues that the supernatural claims of religion are of course entirely false - and yet that religions still have some very important things to teach the secular world.

Writers disagree on how best to define and classify atheism, contesting what supernatural entities are considered gods, whether it is a philosophic position in its own right or merely the absence of one, and whether it requires a conscious, explicit rejection. Atheism has been regarded as compatible with agnosticism, and has also been contrasted with it.
