### **Service Engine Soon Light In**

The intended purpose of the "service engine soon" light is to warn the operator of the vehicle that a malfunction has been detected by sensors in the emissions system of the vehicle. There may be a major problem with the engine or one of its components, but it's usually a minor issue.

### **The "Service Engine Soon" Light on Your Dash Might Just ...**

How to Reset a Service Engine Soon Light. Cars made before 1996 use the OBD system and after 1996 use the OBD-2 system. Locate the scanning tool interface by checking under the left side of the dashboard, under the drivers seat, and under the hood in the engine compartment fuse box for the rectangular shaped connector.

### **How to Reset a Service Engine Soon Light | It Still Runs**

Meaning of the Service Engine Soon Light. The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.

### **What Does the Service Engine Soon Light Mean ... - T3 Atlanta**

Troubleshoot the Check Engine Light, for Free. And it costs nothing. The service engine light comes on in your vehicle because the computer has diagnosed that something isn't quite right. When the light comes on, a code is stored as the reason for triggering the light. When you take your car in to get it checked out,...

### **Service Engine Light: Your Mechanic's Dirty Little Secret**

The service engine soon light is often confused with the check engine light. The check engine light is a light to alert you to a possible problem with the exhaust and emissions systems. This will let you know when there is an excessive concentration of carbon monoxide being emitted through your exhaust system. The service engine soon light can cover many issues, from minor to major.

### **Why the Service Engine Soon Light Might Come On**

Both the Check Engine Light and Service Engine Soon Light primarily monitor emissions so there is no need to panic. Unlike the overheat or charging system red warning lights that require an immediate shutdown of the engine, this one is advisory and is yellow or orange.
