Urban agriculture, urban farming, or urban gardening is the practice of cultivating, processing and distributing food in or around urban areas. Urban agriculture can also involve animal husbandry, aquaculture, agroforestry, urban beekeeping, and horticulture. These activities occur in peri-urban areas as well, and peri-urban agriculture may have different characteristics.

Every man needs to have a set of good hobbies for men... because: If you're like most guys, your free time is limited. And after a long work week, it's tough to use that free time for anything other than lying on the couch. I get it. But think about your free time like this: when you're sitting in your rocking chair at 80 years old, what would you rather remember doing: 1.

Sad news for all those who frequented the famous Mississippi Queen Soul Music Bar on Patpong 1 during the late 1970s and early 1980s. JOY, one of the spectacular dancing twins that graced the MQ at that time, has passed on aged 61, from cirrhosis of the liver. Her twin sister JUNE pre-deceased her in April 2000 from kidney failure. I'm Peter Du Cane from Australia and I first met Joy at the ...

The question of how much land is needed to farm/hobby farm/homestead came up in a post on the Homesteading Today forums came up this week. At the end of the original post (click here to read the thread) the poster asked, "How many acres would it take you to totally support your family with today's economy in mind?" That is an interesting question and brought out some good answers on the post ...
