Greek mythology is the body of myths originally told by the ancient Greeks. These stories concern the origin and the nature of the world, the lives and activities of deities, heroes, and mythological creatures, and the origins and significance of the ancient Greeks' own cult and ritual practices. Modern scholars study the myths in an attempt to shed light on the religious and political ...

Mermaid and Siren are mythical beautiful female creatures, which differ in their appearances. A 'mermaid' is a half-woman, half-fish mythical creature; while a 'siren' is a half-woman, half-bird type of creature. Both used to attract the sea sailors and navigators with their alluring and fascinating nature.
