Harry Crosby (June 4, 1898 - December 10, 1929) was an American heir, bon vivant, poet, and publisher who for some epitomized the Lost Generation in American literature. He was the son of one of the richest banking families in New England, a Boston Brahmin, and the nephew of Jane Norton Grew, the wife of financier J. P. Morgan, Jr..As such, he was heir to a portion of a substantial family ...

How do I call the parent function from a derived class using C++? For example, I have a class called parent, and a class called child which is derived from parent. Within each class there is a print function. In the definition of the child's print function I would like to make a call to the parents print function.
