Editorial Reviews. The Principles and Power of Vision seeks to inspire men and women to pursue the vision that God has placed in their hearts and is also a practical tool for maximizing one's potential. The book is spiritually and mentally stimulating as it explores the concept that "vision" is powerful and a motivator to human activity,...

The 10 Principles of Power. 7. THEY TAKE THE INITIATIVE A year ago, real estate broker Sharon McLennon, 50, was an incoming board member for a real estate trade organization. At her first meeting, the 12-member group discussed the need for a Web site and reached what appeared to McLennon to have been a consensus.

The Power of Principles. It's a dialogue, not just one manager dictating or one group of employees bringing up their complaints and concerns. They seek information from customers by initiating comprehensive surveys, getting feedback from customer executives consistently and frequently to keep the quality high and the costs down.
