Spring smells of lilacs. Lilac, as a scent of spring, has a history, one that begins in antiquity in Persian gardens, expands in the Renaissance through the rise of global trade—especially trade of biological matter—and becomes naturalized in Europe during the Enlightenment through gardening, so much so that, by the nineteenth century,...

I loved feeling like I was on a sweet little summer vacation as I read "The Scent of Lilacs." I also loved that I already have "Orchard of Hope," the second book in the series to look forward to. "The Scent of Lilacs" is a book that makes you care. It doesn't beat you over the head with heart wrenching dramatics to get you there.

**Here's My Take On It: Book Review - The Scent of Lilacs**

The Scent of Lilacs by Ann H. Gabhart A copy that has been read, but remains in clean condition. All pages are intact, and the cover is intact. The spine may show signs of wear. Pages can include limited notes and highlighting, and the copy can include previous owner inscriptions. At ThriftBooks, our motto is: Read More, Spend Less.
