Thanks for your support. I've been on & off twitter all day watching him have another meltdown about my and others criticisms of him, I don't have the energy to go through his twitter and make screencaps of all the vile things he's said today (to women, most of whom are survivors, at least one of whom is a woman of colour) and I don't anticipate having much time for internet stuff ...

Here are eight of my favorite songs that I truly believe could speak to absolutely anyone and touch them in one way or another. Country has this way of making it incredibly easy to relate to the words being sung, and it is honestly hard to find a song that you don't trace back to a certain time in your life or moments that meant a lot to you.

Life After Death received widespread critical acclaim from many critics upon release. Jon Pareles of The New York Times described the album as "flaunting affluence with a leisurely swagger, midtempo grooves and calmly arrogant raps". Anthony DeCurtis of Rolling Stone magazine called it a "conscious continuation of Ready to Die", and stated "Life After Death captures crime's undeniable glamour ...
