Plantagenet Keep your eyes peeled - there may be something of interest in a few weeks time.  
Horatius If you are looking to build regular Italian army then I would recommend you get a sample from us - the Italian army figures are very 'in proportion' and may look slim next to Artizan.

Anonymous asked: Well, till last summer or before, I've been having hot" conversations with my bf, I feel like I want to make it happen, but I gueses she not. While we are having that conversations, she's like we don't because you don't want it, but when we are alone she just act like a friend, but also I don't want to ruin our friendship.

Some discoveries are just too shocking to digest. Recently I wrote of intrepid Ron Unz, the Californian maverick publisher and IT-genius, who dared to share with his readers his insights into

the ideas and motifs of revisionists, or Holocaust Deniers, as their enemies call them. But this absolutely verboten topic fades into irrelevance in comparison with his most momentous discovery that has ...

From what I can tell, the spindle orients, then uses that crappy little detent lock that it has, to hold position. Ours starts to quiver as soon as the carousel starts towards the spindle, and we get quite a few orientation failures, enough to be a nuisance, but not enough to be a problem, I've heard that you need to mess around with the pickup on the spindle, I haven't done it, but one of ...
