The ISEF SRC has attempted to provide answers to questions that they commonly receive on their e-mail account - src@societyforscience.org about the International Rules and Guidelines. If there is a question that you would like to see added to this FAQ list, please e-mail the SRC the question and suggest that it would be good to post.

Rules/FAQs - SSEF Florida

Science in a broad sense existed before the modern era and in many historical civilizations. Modern science is distinct in its approach and successful in its results, so it now defines what science is in the strictest sense of the term. Science in its original sense was a word for a type of knowledge, rather than a specialized word for the pursuit of such knowledge. In particular, it was the ...
